25X1 8. [ ] Called Hilda Schreiber, in the Office of Management and Budget, concerning the requirements of OMB's Circular A-19 relating to "Legislative Programs and Related Cost Estimates." Miss Schreiber agreed that retirement costs for the CIA Retirement Act should be considered classified and agreed that the use of "normal costs" was appropriate for a retirement fund, but said they would also like to have outlay figures wherever possible. I told her this would be provided in connection with the funding proposal.

25X1 9. [ ] Miss Cutlip, in the office of Senator Jennings Randolph (D., W. Va.), called and asked for our assistance in identifying or locating photographs for use in connection with an article to be carried in a company publication of the West Virginia Consolidated Gas Supply concerning the company's oil lease in Algeria. I explained to Miss Cutlip that this was generally outside of our bailiwick because of the classified nature of our work, but in the interest of being helpful and with the assistance [ ]

25X1 [ ] I referred her to several publications having photographs of oil and gas production facilities in Algeria which probably are available through the Library of Congress.
